

Group Membership Policy

Group membership is defined as any organization of 3 or more members and is open to any art group regardless of age race or economic background. All groups must be juried in.

Group Benefits: The Art Center provides a place for art groups to meet, network with other artists and show your art. Each art group will be given 1 “Featured Artist” show per year. Group shows will be promoted the same as individual “Featured Artist” shows. Each Art group will have 1 panel to display information regarding their group. Group members will have reduced rent of \$25 in the hall space at Adams Street on ArtWalk nights. Art groups will be promoted on our Blog and websites and featured in our newsletter. All group members have credit card machine access for sales free of charge. Each group will be given two keys to the Adams street location to be managed by President and V.P. of those organizations.

Group Costs: Groups of 5 or less -- \$200 per year (approx. \$40-\$67 per member)

Groups of 6-15 -- \$350 per year (approx. \$23-\$58 per member)

Groups of 16-25 -- \$500 per year (approx. \$20-\$31 per member)

Groups of over 25 -- \$650 per year (approx. \$26 per member)

*If a group has members that are already individual members of The Art Center, then group membership is reduced by that number. (Example: A group has 26 members, 3 are members of The Art Center, then the group cost would be calculated at 23 members)

Group Options: Providing there is availability, in addition to the general memberships, groups may purchase monthly wall space, at \$40 per month. All rules that apply to hanging member’s wall space also apply to the group.

Group Obligation to The Art Center: Each art group needs to work collective hours as follows:

Groups of 5 or less -- 6 hours per month

Groups of 6-15 – 15 hours per month

Groups of 16-25 – 25 hours per month

Groups over 25 -- 35 hours per month

Group members may serve on committees or participate in special projects and events to fulfill their hours. Group members are also expected to promote The Art Center in any way they can. In addition to membership fees, group members will pay a 30% commission on all artwork sold through The Art Center.
